

Ohio Archaeological Council Newsletter: Annotated Index

Vol. Draft, May 1989

Editor's Corner (John Nass)

President's Corner (Mike Pratt)

Ohio Historic Preservation Office (OHPO) [Al Tonetti, compiler]:

historic preservation awards; National Historic Landmarks; computerization; review and compliance; planning, inventory, and registration; Certified Local Governments; federal education seminars.

Ohio Historical Society:

lecture series; public education.

Jobs

Publications (authors and titles of recent dissertations)

Research Notes:

Ohio State University (Rick Yerkes): 1987 and 1988 summer field schools at Flint Ridge State Memorial.

OAC officers and committee chairs.

Vol 1, Nos. 1-2 Fall 1989

Editor's Corner (John Nass)

President's Corner (Mike Pratt)

Ohio Historic Preservation Office (OHPO) [Al Tonetti]:

Ohio Historic Preservation Act; Guidelines for Archaeological Investigations; National Historic Landmarks; computerization; Certified Local Governments; Library Services

1990 Calendar of Events

Research Notes:

Ohio State University (Bill Dancey and Paul Pacheco): Investigations of sites in the Raccoon Creek Valley, Licking County; Jeb Bowen's investigations at 33ER401.

Wright State University (Bob Riordan): Investigation of the Pollock Rockshelter (33GR759).

Archaeological Services Consultants: Investigations at Zimmer Generating Station, Clermont County; AT&T fiber optics phone cable line across southern Ohio including data recovery at 33VI315.

R.G. Archaeological Services: Excavation of the Indian Creek House site, Butler County.

Gray & Pape Cultural Resource Consultants: Investigation of 33CT525 for the East Fork Little Miami River Wastewater Treatment Plant; Data recovery at four sites (33HI182, 194, 197, and 203) for the Hillsboro Industrial Park; and Investigation of 33ER36, the Kelley Island Lime and Transport Company, North Bay Quarry, for the Kelleys Island State Park boat ramp.

Titles of Recent Theses and Dissertations dealing with Ohio and adjacent states and Ontario.

OAC officers and committee chairs.

Vol. 2, No. 1, Spring 1990

Editor's Comments (John Nass)

President's Corner (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

Ohio Historic Preservation Act; submerged resources bill; cave legislation protects archaeological resources; Guidelines for Archaeological Investigations; Statewide Historic Preservation Conference; National Historic Landmark Nominations in Sandusky and Montgomery Counties; funding for OHPO; Certified Local Governments; Catherine Stroup leaves OHPO.

Archaeology and Computers (John Blank)

Research Notes:

N'omi Greber, Cleveland Museum of Natural History: Threat to Capitoleum Mound, Marietta.

Ann Cramer (Wayne National Forest): Report on Wayne National Forest activities.

Titles of Recent Theses

1990 Calendar of Events

OAC election slate

Job announcement

OAC officers and committee chairs

OAC membership list

Current officers, trustees, and committee members.

Vol. 2, No. 2, Summer 1990

Editor's Comments (John Nass and Don Bier)

President's Corner (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

Ohio Historic Preservation Act; federal legislation; Archaeology Guidelines; Ohio Archaeological Inventory; National Historic Landmarks.

Research Notes:

David Brose, Cleveland Museum of Natural History: Investigations at Cleveland Mall A's nineteenth century neighborhood.

Brad Lepper, Ohio Historical Society: Excavation of the Burning Tree Mastodon; Munson Spring site (33LI251); Rediscovery of the Salisbury brothers map of the Newark Earthworks; Investigations along the LIC-79 (Newark Expressway) project.

Have you visited SunWatch? (James Heilman)

1990 Calendar of Events

Job announcements

OAC officers and committee chairs

Vol. 2, No. 3, August 1990

Editor's Comments (John Nass)

President's Corner (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; position vacancies; Archaeology Guidelines; National Register eligibility review team; consultants list; historic preservation grants to Indian tribes.

Research Notes:

Bruce Aument, Archaeological Services Consultants: Mortuary Variability in the Big Darby Drainages of Central Ohio 300 BC – AD 300.

Flora Church, Archaeological Services Consultants: Spicebush Swallowtail Site (33VI22); and NRHP Assessments at Berlin Lake, Mahoning and Portage counties.

Chuck Niquette, Cultural Resource Analysts: The Parkline Site (46PU99), Putnam County, WV.

Have You Visited Flint Ridge? (Brad Lepper)

Titles of Theses and Dissertations

1990 Calendar of Events

OAC officers and committee chairs

Vol. 2, No. 4, November 1990

Editor's Comments (John Nass)

President's Message (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; federal legislation; Archaeology Guidelines; position vacancies; annual work plan, awards, National Historic Landmark Theme Study for the Historic Contact Period; Ohio Archaeological Inventory form revision.

The Archaeological Conservancy

Research Notes:

Ohio Department of Transportation and OHS: East Liverpool Data Recovery Project
Route 30 Extension.

Miscellaneous Business: Job Opportunities

1990 Calendar of Events

OAC officers and committee chairs

Vol. 3, No. 1, February 1991

Editor's Comments (Don Bier)

President's Message (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

Historic Preservation Fund awards; state legislation; federal legislation; Archaeology Guidelines; position vacancies; statewide historic preservation conference; Advisory Council on Historic Preservation publications; National Park Service publications.

Human Remains: Declaration of Policy and Points of Agreement reached under the charge of State Senator Roy Ray.

OHS Collections (resignation of Brad Baker, by Martha Otto)

OAC Grants Program (Shaune Skinner)

OAC Grant awarded to Annette Ericksen for paleobotanical analysis at 33VI315 (Shaune Skinner)

Research Notes:

Robert Genheimer, Cincinnati Museum of Natural History: Receives Archaeological Collections from the Cincinnati Art Museum.

Miscellaneous Business: Student research opportunity; history of archaeology

1991 Calendar of Events

OAC officers and committee chairs

Vol. 3, No. 2, May 1991

Editor's Comments (Don Bier)

President's Message (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; federal legislation; Hopeton Earthworks; Archaeology Guidelines; position vacancies; listing of education in archaeology programs; archaeological site stabilization; National Park Service publications.

Research Notes:

Annette Ericksen, Archaeological Data Services: Flotation Results for 33VI315, a Middle Woodland Site in Vinton County, Ohio.

1991 Calendar of Events

OAC officers and committee chairs

Vol. 3, No. 3, August 1991

Editor's Comments (Don Bier)

President's Message (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; Archaeological Guidelines; position vacancies filled; Ohio Archaeological Inventory microfilming project; Kentucky state plan, Advisory Council on Historic Preservation annual report.

Research and Other Notes:

Ann Cramer, Wayne National Forest: Cultural Resource Management on the Wayne National Forest.

Paul Pacheco, Licking County Archaeology and Landmarks Society: Woodland Period Archaeology in Central Ohio – LCALS Contributions.

Robert Maslowski, West Virginia Archaeologist: Cotiga Mound Update.

1991 Revitalization Program at Fort Ancient (Jack Blosser, Ohio Historical Society)

1991 Calendar of Events

OAC officers and committee chairs

OAC membership list

Vol. 3, No. 4, November 1991

Editor's Comments (Don Bier)

President's Message (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; federal legislation; Archaeological Guidelines; Ohio Archaeological Inventory microfilming project; National Register Bulletin; Dedicated Archaeological Preserves; student essay contest; standards for human osteological data collection; federal grants to Indian tribes; urban archaeology group.

Federal Court Rules for Plaintiffs in Suite Against Office of Surface Mining (Al Tonetti)

Hopewell Culture Bill Update (Bill Gibson)

Patricia Sue Essenpreis (Jay Heilman)

Research and Other Notes:

John Blank, Cleveland State University: Skeletal Explorer Video-Disk Project.

Mike Pratt, Heidelberg College: The People's Past: Archaeology in the People's Republic of China.

1992 Calendar of Events

Job Announcement

OAC officers, trustees, and committee chairs

Vol. 4, No. 1, April 1992

Editor's Comments (Don Bier)

President's Message (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; Hopeton Earthworks; federal funds received; Archaeological Guidelines; Ohio Archaeological Inventory microfilming project; archaeology lab and site files; National Archaeological Data Base; computer applications newsletter; archaeology training courses; Boy Scouts and archaeology; preservation technology publications; other publications.

Research and Other Notes:

Sylvia Ball, The Archaeological Conservancy: The Chris Conner Site, the Ninth Archaeological Conservancy Site in Ohio.

Jeff Carskadden: The Bosman Site, Muskingum County, Ohio.

Kathryn Jakes, Ohio State University: A Comparative Collection of Fibrous Plants and the Fiber They Yield.

John Blank, Cleveland State University: Disk Utility Programs.

Tim Dalby, Southern Methodist University: Geological Society of America Archaeology Division Field Trip (in northern Kentucky and southern Ohio).

1992 Calendar of Events

OAC officers, trustees, and committee chairs

Vol. 4, No. 2, May 1992

Editor's Comments (Don Bier)

President's Message (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; Archaeology Guidelines; Ohio Archaeological Inventory microfilming project; awards; National Park Service publications.

Grants Committee Update (Shaune Skinner)

Native American Graves Protection and Repatriation Act: A Summary (Brad Baker)

Other Notes:

Martha Otto, Ohio Historical Society: Archaeology Education at OHS

Martha Otto, OHS: Collections on the Move.

Kitty Butterworth, Ohio Department of Transportation: Staff Changes at ODOT-BES.

1992 Calendar of Events

OAC officers, trustees, and committee chairs

Treasurer Sings Dues Blues or I'm a Member, She's a Member, Wouldn't You Like to be a Member too? (Franco Ruffini)

Vol. 4, No. 3, August 1992

Editor's Comments (Len Piotrowski)

President's Column (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

Federal legislation; NAGPRA regulations (draft 3); state legislation; state budget deficit affects OHPO; Archaeology Guidelines; archaeology files moved to OHPO; new computer system; OHPO annual conference; A National Strategy for Federal Archeology; new LEAP catalog coming soon; traditional cultural properties; new resource protection book; shipwreck suit reversed; Center for Advanced Spatial Technologies.

New Regional Director for The Archaeological Conservancy (Barbara Donahue)

Stubbs Mill Site Acquired by The Archaeological Conservancy (Barbara Donahue)

The American Committee for Preservation of Archaeological Collections (Clement Meighan)

First Discovery of American Conference (Bill Dancey)

1992 Calendar of Events

OAC officers, trustees, and committee chairs

Vol. 4, No. 4, November 1992

Editor's Comments (Len Piotrowski)

President's Column (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

National Historic Preservation Act amendments; NAGPRA regulation, draft 4; Historic Preservation Fund; Ohio Archaeological Inventory microfilming project; file room policies and procedures; new National Park Service publications; Society for American Archaeology publication education committee.

Grants Committee Report (Shaune Skinner)

Newsletter readership Survey Results (Len Piotrowski)

Call for Papers: OAC Spring Membership Meeting (Brad Lepper)

Kentucky Heritage Council Conference

The Center for Field Research Request for Proposals

New Video on Ohio Prehistory

Position Openings

1993 Calendar of Events

OAC officers, trustees, and committee membership

Vol. 5, No. 1, February 1993

Editor's Comments (Len Piotrowski)

President's Column (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

Development grants; federal legislation/NAGPRA; Ohio Historic Preservation Plan; Paleo Crossing site listed on National Register of Historic Places; awards; African-American Advisory Committee; 1993 statewide historic preservation conference; staff notes.

Grants Committee (Shaune Skinner)

Technical Notes (Al Tonetti):

Bibliography of Corps of Engineers Research Related to Cultural Site Protection and Preservation.

Mitigating the Effects of Heavy Equipment Compaction on Buried Cultural Materials.

Book Reviews: *A Vertebrate Faunal Analysis Coding System* (Al Tonetti); *People of the Fresh Water Lake: A Prehistory of Westborough, Massachusetts* (Jeb Bowen).

Training Opportunities: Archaeological Resources Protection Training (Ann Cramer); Remote Sensing/Geophysical Techniques for Cultural Resource Management (Al Tonetti).

List of conferences

Issues in the Public Interpretation of Archaeological Materials and Sites: A NPS Workshop (Martha Otto).

Educational Programs: Mysteries of the Mounds: A Summer Festival in Celebration of the Past. 1993 Calendar of Events

Vol. 5, No. 2, May 1993

Editor's Comments (Len Piotrowski)

President's Column (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; federal legislation/NAGPRA; development grants; file room orientation planned.

Serpent Mound Threatened by Development (David Snyder)

Resolution of the Ohio Archaeological Council regarding Serpent Mound Development (Al Tonetti)

Heritage Resource Management in the Wayne National Forest: An Update (Ann Cramer)

Research Notes:

Flora Church, Archaeological Services Consultants: A Summary of Recent research at the Scioto Woods (33FR756) and Hartley Farm (33FR760) Sites, Franklin County, Ohio.

Intern Programs: Archaeological Services Consultants; Ohio Historic Preservation Office.

Conferences: Preliminary program for "A View from the Core: A Conference Synthesizing Ohio Hopewell Archaeology; Pedological Perspectives in Archaeological Research Symposium.

Information Request: Shoreline Erosion Study.

1993 Calendar of Events.

Vol. 5, No. 3, August 1993

Editor's Comments (Len Piotrowski)

President's Column (Al Tonetti)

Ohio Historic Preservation Office (Al Tonetti):

State legislation; ISTE A grants; Serpent Mound update; file room policies and procedures; awards; National Park Service publications.

Grant Committee Makes Awards

Radiocarbon Data Base File

Training Opportunities

Ohio Historical Society Sponsors Archaeology Days (Martha Otto)

Research Notes:

Richard Yerkes, The Ohio State University: The Ohio State University Investigation at the Flint Ridge State Memorial, Licking County, Ohio, 1987 – 1988.

Meetings and Conferences

Position Openings

1993-1994 Calendar of Events

Vol. 5, No. 4, November 1993

Editor's Comments (Len Piotrowski)

President's Column (Mark Seeman)

Ohio Historic Preservation Office (Al Tonetti):

State historic preservation plan; volunteers sought; NAGPRA grant program funded; new National Park Service technical brief; site burial report available.

OAC's View from the Core Conference a Success

Techniques of Identifying and Evaluating Corridors and Trails: Archeological Property Types as Contributing Elements (Timothy Nowak, Bureau of Land Management).

ZINJ: A Prehistory Science Magazine for Kids (Al Tonetti).

Training Opportunities
